Persons living at a distance from New York, can club together and get them at the same prices as we sell them at our warehouses in New York. In order to get up a club, let each person wishing to join say how much tea he wants, and select the kind and price from our price list, as published in our circulars. Write the names, kinds, and amounts flainly on a list, and when the club is complete send it to us by mail, and we will put each party's goods is separate packages, and mark the name upon them, with the cost, so there need be no confusion in distribution—each party getting exactly what he orders, and no more. The funds to pay for goods ordered, can be sent by draft on New York, Post-Office money orders, or by express. Or we will, if desired, send the goods by express, to "collect on delicery."
